

Double World Cup winner. Next stop: Da Nang.

In January 2025 I won the women's **Barewood** and **Hardbat** events at the WTTTW World Cup in Macau. This December I compete at the **WTTTW World Cup 2026 in Da Nang, Vietnam (16–21 December)**, and I'm looking for partners to help me get there.

I'm a traditional table tennis (ping pong) player from Poznań, Poland.

I've lived and worked in many Asian countries, including different parts of Vietnam, so this tournament is special for me. I'm a European athlete who is at home in Asia, which lets me connect a brand with audiences in Europe and Asia, thanks to my native Polish, a very good command of English and even Chinese.
